'Your Bisley' Newsletter No. 31 Winter/Spring 2015

**BRA and Bisley Parish Council warmly invite YOU . . .**

**'Teas on the Rec' - Summer 2015**

To the third joint Annual Parish Assembly (run by the Parish Council) and the B.R.A. Spring Forum on **Wednesday 25th March 2015**, in the Jubilee Room of the Village Hall.

The main theme of the **19th B.R.A. Open Forum** will be 'Bisley and future planning in the County & possible boundary changes'. There will also be an update on BRA activities and sharing views (it's an OPEN Forum!) and will commence at 7.00 pm, followed by the Annual Parish Assembly at 8.30 pm.

*(Norman Holden - BRA Chairman)*

The **Annual Parish Assembly** gives local organisations the opportunity to update us on their news. You are warmly invited to stay and hear about what has been happening in the Village and to enjoy a glass of wine and light refreshments with fellow residents and guests.

*(Bisley Parish Council)*

Time is racing on again and before we know it summer will be here and we'll be back on Bisley recreation ground serving teas.

**The first session is on the 28th May** (please note in your diaries so we can make a good start for this year's charities).

We've decided to meet for coffee/tea and biscuits before our opening date, just to keep up with old friends and to help make our rota out for this year.

These meetings will be on the first Wednesday morning of the month from 10am - 12 noon. We began on 4th February and it was a good morning and very well attended.

Do come along if you can, 4th March is the date of the next coffee morning at the pavilion on Bisley rec.

We're all keeping our fingers crossed that we have another busy, sunny summer.

*(Chris Bixley)*

## End of an era for two leaders of Bisley Guides

Dawn and I were both hooked on Guiding from the day we joined Bisley Guides as 10 yr olds. Although not in Guides at the same time, sausage sizzles and camping in Marilyn Mellor's orchard in Queens Road are still vivid memories for us both. Who would have guessed that in December 2014 we would be celebrating 60 years of combined service to Bisley Guides as adult leaders and leaving a legacy of a thriving Guide company to one of our own past Guides as the new leader.

We've got so many special memories of Guiding like camping at Herons Wey, getting soaked and wearing really smelly waders in the river when the girls went canoeing, cooking delicious meals on open fires whatever the weather, singing and listening to the girls funny stories sitting 'round the embers of the campfire. ??

We will never forget our very own version of Dads Army with Heaters Bakery van converted into a fighting machine in one of the many gang shows. Some of us even remembered some of our words some of the time! The gang shows became a regular feature with the girls and members of the audience enjoying every minute of the entertainment.

We were very proud to fund raise for various causes over the years including donating £1000 from our Guiding Centenary gang show to purchase 100 bricks for the extension at Bisley Church. One brick for every year of Guiding.

We always attended the Remembrance Day services at the memorial on Bisley Green. Last year to commemorate the beginning of WW1 the girls all made their own individual poppy and did some short plays about the impact of the war on the lives of women at the time.

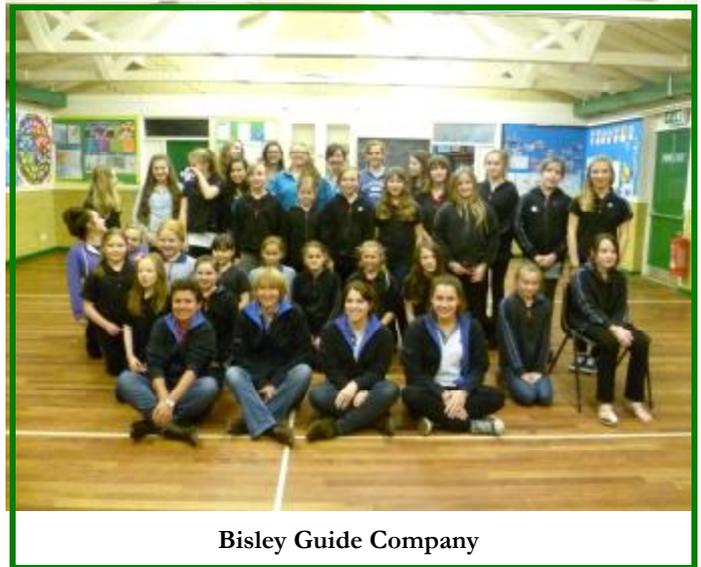

After 32 and 28 years respectively Dawn and I are leaving Bisley Guides as leaders. It is the end of era for us both.

We've had a brilliant time over the years and enjoyed every Friday evening having fun with the Guides. With the possible

exception of what we called 'pulp fiction' night. Don't ever try to scoop out all the pulp and juice from 30 oranges with 30 girls and refill them with chocolate cake mixture! The Scout and Guide HQ floor will never be the same again!

Our last evening was shared with all the Guides and Young Leaders at our Christmas party. It was an emotional farewell as it should be with gifts and an amazing cake made by Hannah and Abi. So thank you girls for making it a very special evening for us.

## Village Issues

### News from Bisley Parish Council

#### ◆ Annual Bisley Village Awards

The Parish Council is seeking nominations for your Business of the Year and your Citizen of the Year. Has a Bisley business been particularly good at what they do? Have they been known to go over and above what is generally required of their business? A business does not have to be one with a shop front, for instance it could be cleaners, book keepers, day centres, gardeners. Do you know a resident in Bisley that deserves an award? Someone who has done things in or for the village, not for gain, and who deserves some recognition. **If so, please let the Parish Council know by completing the enclosed form and returning it by Thursday 30th April 2015. The awards will be presented at the Strawberry Fayre on Sunday 28th June 2015.**

#### ◆ 17 Queens Road (Formerly Bisley Office Furniture) – Update

Redrow Homes are appealing the decision taken by Surrey Heath in November 2014 to refuse planning permission for the proposed development of this site with the access from Snowdrop Way (application ref. 14/0249). A second planning application has been submitted by Redrow Homes (ref. 15/0035) with the main access from Queens Road and is out for consultation at the present time. The Parish Council at its meeting on Monday 9th February 2015 agreed unanimously that it had no objection to the development in principle, subject to the following:

- (i) The need for the proposed foot and cycle path linking the new development and Snowdrop Way being reviewed.
- (ii) The two dwellings with proposed access from Chatton Row being reversed to enable the dwellings to be accessed and serviced from within the curtilage of the development.
- (iii) Potential parking problems in Chatton Row being assessed.

Please see the Parish Council's full response on both the Parish and the Borough's websites.

The consultation period for 15/0035 expires on 25th February and the target date for decision is 15th May 2015. Redrow Homes have stated that subject to securing satisfactory planning permission for the Queens Road scheme within reasonable timescales they would be prepared to withdraw the appeal relating to 14/0249 and proceed to build out the Queens Road scheme.

#### **Ralph and Joan Cheeseman (passed away August and December 2014)**

*Sylvia Stevens shared some memories from her childhood about Joan and Ralph.*

Joan was the daughter of the local farmer - she had been married before (Nick Hunt being her son) but met Ralph through the milk round. She was a very busy lady - and interested in all things to do with the village - Youth Club, W.I., Parish Council, Trustee of Bisley Charities. Ralph had many interests but mainly to do with railways. He was a keen model maker and had a room laid out with all his equipment. In his youth I believe he was a keen cyclist and member of the Bisley Wheelers.

### News from Bisley C. of E. Primary School

It is difficult to comprehend that we have reached the half-way point in the school year. The children are continuing to delight in every way and are looking forward to the warmer Spring weather.

As a school community, we recently celebrated the unveiling of the, 'Welcome to Bisley Mural'. The children had worked for a number of days in October last year creating the Mural out of ceramic tiles and we were immensely proud of their results. In a service attended by the Governing Body, the Director of Education for the Guilford Diocese and the Rev Andy Armitt, the Mural was blessed and shown to the whole school community.

The Mural embodies all that is wonderful about our school and also highlights the strong Diocesan links. It also marks the start of a very exciting phase in the school's development. From early March the school will undergo an extensive building project which will see the creation of three new classrooms, additional working areas and a new staffroom. The school will therefore have the capacity to slowly grow to become two form entry in the future.

As a school community we welcome the opportunities the expansion will bring and we look forward to a very exciting future. The building work is scheduled for completion by the end of August 2015 and we will hold a series of open mornings following their completion for all members of the local community to come and view our new facilities.

### Bisley Remembers . . . .

**Keith Martin, 1924-2015** With sadness we note the recent death of this Bisley resident. He was a staunch supporter of Bisley Residents Association, a long-serving and much loved member of the our Royal British Legion branch and a former Bisley Parish Councillor. Keith was a caring and devoted husband to Phyllis, who sadly passed away last summer. You will have seen the article in the previous edition of 'Your Bisley' about Keith's distinguished service in the Royal Navy in World War II. We offer our sincere condolences to Maria, Christine and his family, and we hope they will gain some comfort from remembering that he, throughout his long life, was held in so much affection and respect by so many people in Bisley and beyond. **(Norman Holden)**

The interaction between Bisley's active Neighbourhood Watches and Surrey Police continues to be very important, particularly in the light of the recent increase in reported burglary incidents in Surrey Heath' villages.
